1	Ashikaga Institute of Technology	Engineering															Renewable Energy and Environmental Engineering, Mechanical System Engineering, Electrical and Electronic Engineering, Systems and Information Engineering, Life Systemics Engineering, Fireworks Architectural Structure Engineering, Construction Material Engineering, Construction Planning, Environmental Systems Engineering	3
2	Doshisha University	Science and Engineering	○		○									○	○		Information and Computer Science, Electrical and Electronic Engineering, Mechanical Engineering, Applied Chemistry, Science of Mathematical Modeling	5
3	Doshisha University	Global Business and Management Studies						○		○							Business Administration, Environmental Studies	5
4	Fukushima University	Symbiotic Systems Science and Technology	○			○											[Sub Fields]Environmental sciences: sciences of hydrosphere, lithosphere, atmosphere, biosphere, and anthrosphere Disaster science: slope failure, sediment disaster, floods, and droughts Engineering: civil engineering: hydraulic and hydrologic engineering	2-3
5	Hokkaido University	Environmental Science	○	○	○	○	○									○	Environmental Pollution, Impacts of Global Warming, Global Environmental Changes and Measures, International Environmental Conservation Regime, Environmental Human Resource Development, Sustainable Environmental Management, Local Material-Cycling Systems, Marine Ecosystem Conservation, Environmental conservation, Meteorology and Climatology, Landscape and Community Ecology, Geocryology, Environmental Geography, Geocology, Natural Resources Management, Sustainability Science, Oceanography and Coral Reef Science, Mathematical Biology, Molecular and Evolutional Ecology, Environmental Remediation, Analytical Chemistry, Marine Natural Products, Chemical Ecology, Environmental Medicine, Molecular Biology, Toxicology, Environmental Risk Assessment, Environmental Metrology, Geochemistry, Mineralogy, Radiochemistry	4
6A	Hokkaido University	Economics and Business Administration								○								1
6B	Hokkaido University	Economics and Business Administration															Business Management	1
7	Hokkaido University	Engineering															Civil Engineering, Environmental Engineering, Geology and Mining Engineering, Mechanical Engineering, Materials Science, Applied Physics, Other Engineering Fields	5
8	Hokkaido University	Medicine														○		2
10A	International Christian University	Arts and Sciences								○							Business Administration [Sub Fields] Financial Economics, Macroeconomics, Banks and other financial institutions, Microfinance, Business Administration, Mathematical Finance	2-3

10B	International Christian University	Arts and Sciences																【Education & Linguistics】 [Sub Fields] International Educational Development / Distance Education and E-Learning / Education and Sustainable Development / Globalization and Educational Policy / Christianity and Education / Social Justice and Education / Cultural Diversity and Education / Program Development & Evaluation in Education / Organizational and Community Studies in Education Linguistics	2-3
10C	International Christian University	Arts and Sciences	○										○	○				[Sub Fields] 【Engineering】 Electronic materials / Electric materials 【Environmental Science】 Environmental dynamic analysis 【Agriculture】 Animal physiology / Animal behavior / Aquatic life science / Molecular biology / Plant molecular biology / Plant physiology / Environmental agriculture(including landscape science)	2-3
11A	International University of Japan	International Relations						○	○									Public Administration, Business Administration, International Relations [Sub Fields] International Development, Agricultural Economy, International Relations, International Peace, E-government	10
11B	International University of Japan	International Relations						○	○										
11C	International University of Japan	International Relations						○	○										
11D	International University of Japan	International Relations						○	○										
12A	International University of Japan	International Management																Commerce, Economics / Business Administration, Finance/Accounting, IT/Operations Management, Marketing, Management, Project Management, Social Enterprise Management	8
12B	International University of Japan	International Management																	
12C	International University of Japan	International Management																	
13	Kanazawa University	Natural Science and Technology	○										○					Science, Environmental Engineering	2
14	Kitakyushu University	Environmental Engineering	○			○		○	○	○			○					[Sub Fields] Environmental management, systems analysis and treatment technology	2
15	Kobe Institute of Computing	InformationTechnology													○				5
16	Kobe University	International Cooperation Studies				○							○					[Sub Fields] Law, International Studies	3
17	Kochi University	Integrated Arts and Sciences												○					2
18	Kumamoto University	Science and Technology	○			○							○	○	○			Science(mathematics, physics, chemistry, biology), Applied Chemistry and Biochemistry, Material Science, Mechanical Engineering, Computer Science, Electrical Engineering, Civil and Environmental Engineering, Architecture	2
