

National Designated Authority

GREEN
CLIMATE
FUND

WHAT IS ITS MANDATE AND RESPONSIBILITY

Overview

- ▶ What is the National Designated Authority (NDA)?
- ▶ Who the National Designated Authority (NDA) is?
- ▶ Its Role and Functions
- ▶ Summary

National Designated Authority and Focal Points

Selecting a National Designated Authority (NDA) is the first step to engage with the Fund.

- The Cook Islands NDA is the Director of Climate Change Cook Islands (CCCI) Division located within the Office of the Prime Minister.

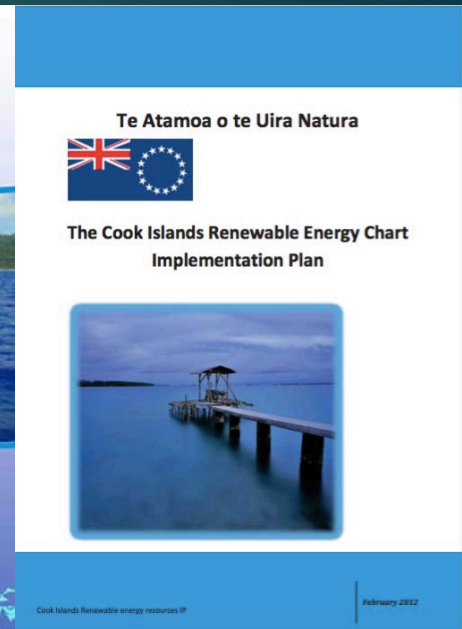

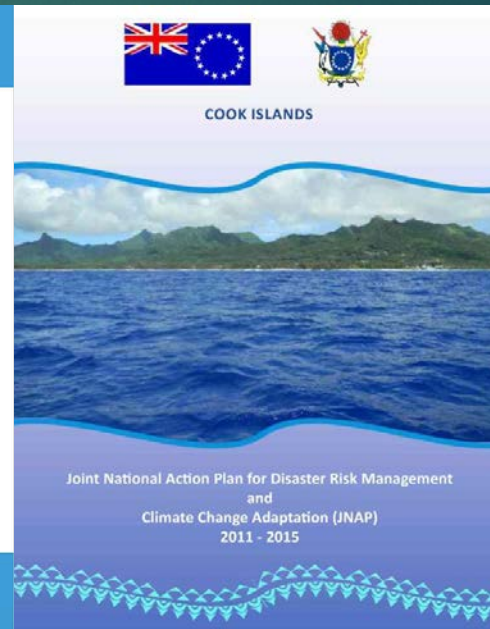

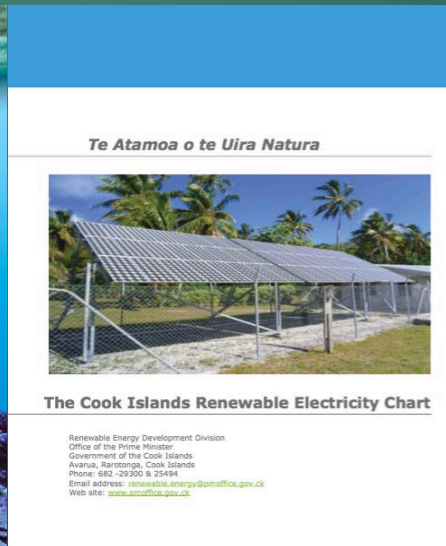

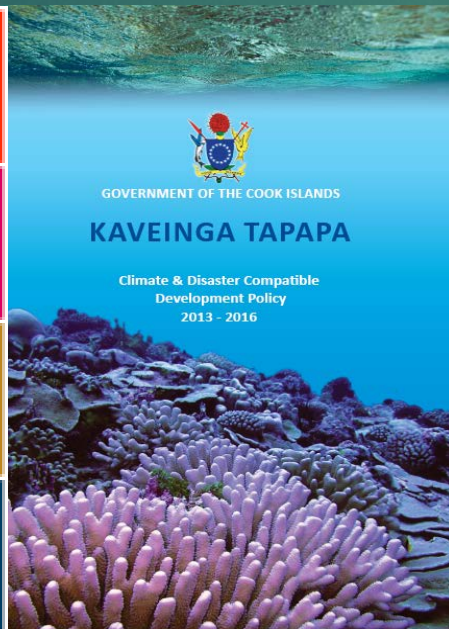

Director of CCCI,
Ana Tiraa

The Roles and Functions of the National Designated Authority (NDA)?

1. Provide broad strategic oversight of the Fund's activities within the country.

Roles and Functions Cont.

2. Convene relevant public, private and civil society stakeholders to identify priority sectors to be financed by the Fund.
3. Communicate nominations / no objection of entities (sub-national, national or regional, public and private) seeking accreditation to the Fund under the 'direct access' track.

Roles and Functions Cont.

4. Implement the no-objection procedure on funding proposals submitted to the Fund, to ensure consistency of funding proposals with national climate change plans and priorities.
5. Provide leadership on the deployment of readiness and preparatory support funding in the country.

Summary

Climate Change Cook Islands is the appointed National Designated Authority (NDA) and the office aims to:

- 1. Raise awareness of the GCF;**
- 2. Provide advice on how to effectively engage the Fund;**
- 3. Identify and support climate change adaptation and mitigation plans, projects, and programmes that can be funded by the GCF; and**
- 4. Identify potential entities that can be accredited to the GCF**
