---

Kia Orana to all Importers/Customs Agents

The Cook Islands Customs Service will be holding a “**Stakeholder Engagement Seminar**” with Importers and Customs Agents on **Thursday 12<sup>th</sup> Jan 2017**.

The seminar will be held at the **Ministry Of Finance and Economic Management Conference Room** and will run from **9am to 12pm**.

The purpose of this seminar is to strengthen our relationship with you our stakeholders through providing a review of how 2016 was and giving you an insight into what to expect in 2017.

The seminar will also give you the opportunity to provide feedback on how well our services are being delivered and suggestions for improvement.

We also intend to have other key agencies present at this seminar such as Bio-security as they play a pivotal part in a lot of the processes we have implemented around clearance of goods crossing our borders.

If you are interested in attending this seminar please express your interest by notifying a customs officer over the counter or emailing
