

## MINISTRY OF FINANCE AND ECONOMIC MANAGEMENT

GOVERNMENT OF THE COOK ISLANDS

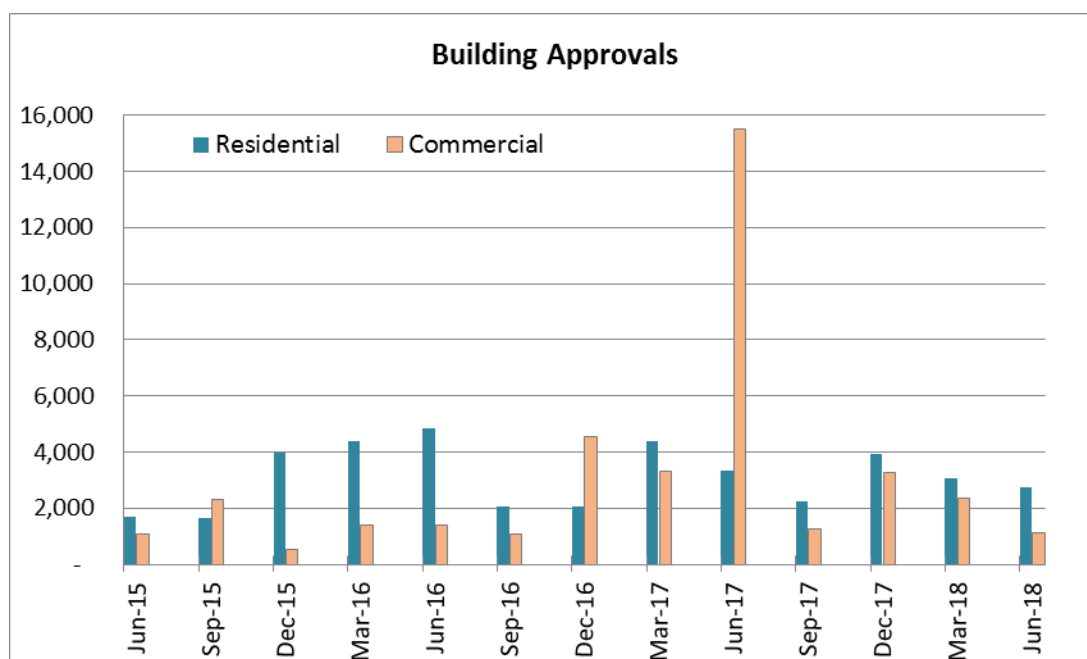

### COOK ISLANDS STATISTICAL BULLETIN

#### MISCELLANEOUS STATISTICS

##### June Quarter 2018

The Miscellaneous Statistics is a compilation of statistics from various data sources, such as building approvals, energy consumption, aircraft movement, motor vehicle registration, air cargo and climate.

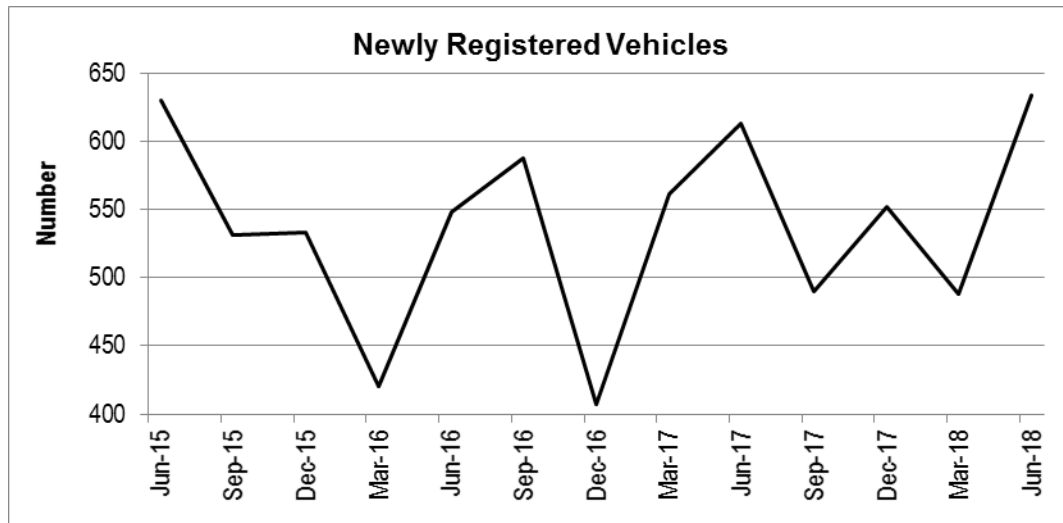

**Building Approvals** – The total value of buildings approved during the June quarter 2018 (3,866) decreased by 28.5 per cent when compared to March quarter 2018 (5,409). Residential buildings contributed 71.2 per cent in the total value of building approvals and the Commercial buildings (Commercial (212), Tourist Accommodation (570), Community (330)) contributed 28.8 per cent.

**Electricity Generated** - Total electricity generated in the Cook Islands for the June quarter 2018 was 9.7 million kWh, a 4.3 per cent decrease when compared to March quarter 2018. Of the total electricity generated 81.2 per cent was consumed on Rarotonga, followed by Aitutaki with 13.9 per cent and 4.8 per cent from the rest of the outer islands.

**Aircraft Movement** - International flights out of Rarotonga increased by 83 flights during June quarter 2018 when compared to March quarter 2018. New Zealand continued to be the main destination with 232 international flights.

**Newly Registered Motor Vehicle** - Newly registered vehicles for June quarter 2018 increased by 29.9 per cent compared to March quarter 2018. Motor cycles continued to be the highest type of vehicles registered (52.4 per cent), followed by Cars, Jeeps and Station Wagons (29.7 per cent), Vans and Pickups (12.1 per cent).

**Air Cargo** - The total weight of 486,000 kilograms of air cargo was recorded in the June quarter 2018. Of the total weight recorded for air cargo this is a 16.0 per cent increase when compared to March quarter 2018. Air cargo imports recorded a total weight of 463,000 kilograms and for exports recorded a total weight of 23,000 kilograms for June quarter 2018. The actual value and descriptions of the air cargo imports/exports is captured in the Overseas Trade Statistics publication.

**Climate** - Rarotonga and Aitutaki recorded an average temperature of 25.1 and 24.8 degrees Celsius, with a total rainfall of 535 millimeters for Rarotonga and 209 millimeters for Aitutaki. Penrhyn had an average temperature of 29.0 degrees Celsius with a total rainfall of 110 millimeters during June quarter 2018. A total of 487 hours of sunshine was recorded for Rarotonga.

Further information about this release can be obtained from the Statistics Office.
